He explained that he was instructed to settle the horse midfield with cover if possible, but from the wide barrier, after travelling a short distance, rather than be caught wide throughout, he elected to restrain to the rear of the field. Jockey Cahill added that BERGDORF worked to the line strongly and finished the race off well. Munce stated that he had wanted to position his mount closer to the lead, however it could not muster early speed from the wide alley and he felt that this was as a result of coming back from 1400m last start. He added that the horse was under pressure rounding the home turn and was disappointing. Tnr expressed his disappointment and added that he would step the horse up in distance. and undertook to advise stewards should anything come to light in coming days which may have had an effect on the performance.

She indicated that,the horse finished the race off well and would appreciate a step up in distance.

S. Comments:When questioned as to the gelding's seemingly poor performance, Jockey T Treichel stated that it was his intention to ride the gelding off the speed today, however, after being caught wide in the early stages he elected to allow his mount to stride forward to the lead. He added that the horse travelled well to a point near the 600m and when placed under pressure failed to respond to his riding and proved most disappointing. A post-race veterinary examination failed to reveal any abnormalities at the time of examination. A swab sample was taken.

Last start caught wide early and restrained to obtain cover then failed to run on. Best ridden just off the speed with cover. Advised blood tests taken following last start had indicated gelding may have been suffering from a low grade virus.
