S. Comments:When asked to comment on the performance, Jockey A Spinks stated that he was forced to place the gelding under pressure earlier than expected. Jockey Spinks added that the gelding then laid in under pressure during the home straight and in his opinion the 59kg impost today may have had a detrimental effect on the gelding's performance.

App Fawke indicated he had been instructed to lead and felt that if he attempted to steady near the 900m, She's A Danica would have overraced and refused to settle.Stewards advised App Fawke that it was an ill-judged ride given the fast pace that was being set during that section of the event. Lloyd said he would have preferred to settle outside the leader, but the mare overraced and did not settle, so he strode forward in an attempt to have it settle but it refused to do so. He added the trainer would now remove the blinkers from its gear. The trainer confirmed he would removed the blinkers.

S. Comments:Questioned re: performance - rider stated from wide alley intention was to obtain handy position. Despite racing wide in early stages was able to obtain handy position and travelled comfortably in middle stages, once placed under pressure leaving the 600m commenced to weaken. Of the view that the gelding may be better suited ridden further back in the field and over further ground. Trn. was unable to explain performance as gelding pulled up well following the race. Indicated they would have it ridden further back in the field at its next start. Vetted and found to have a slow recovery rate.

Heinrich noted that from a wide barrier at its last start it raced further back in the field than expected and then peaked on its run over the final 200m. Ms Heinrich noted that on that occasion the horse was first up from a spell and she was of the view that it would derive some fitness benefit from that run. The explanation was noted.

S. Comments:Questioned as to tactics - rider stated instructed to sit off the speed with cover. For this reason he allowed runner outside of him to cross to the lead near 900m. Then travelled comfortably in middle stages but was disappointed for a run between runners upon straightening and again disappointed for a run over concluding stages. As a result was held up for the entire home straight and went to the line without being fully tested.

S. Comments:Near the 1000m had to be steadied from heels. Questioned re tactics and overall performance - Rider instructed to obtain handy position, began fairly and attempted to push forward, unable to must early speed and was caught wide so restrained to obtain cover and raced further back than anticipated. Did not feel comfortable in action, laid in behind other runners when asked to improve passing 500m and proved disappointing. Trainer noted addition of concussion plates as mare had experienced hoof issues previously. Mare would be sent for a spell. Vetted - found to have a slow recovery rate.
