Horse then travelled comfortably in early and middle stages but responded only fairly when urged along leaving 800m and was one paced in the run to the line. In rider's opinion filly failed to run out the distance under the top weight of 59kg. Post race vet failed to reveal any abnormalities.

He felt this was due to the horse, which had his first 2 starts at the Sunshine Coast, seemingly having difficulty getting around the tight circuit today. He added in the straight due to it hanging he was unable to ride the horse out to the best of his ability. Trainer he would make gear changes before its next start, endeavour to have him return to racing at a bigger track.
