Comments: When afforded the opportunity to comment on the performance, rider J. Stanley stated that the gelding began well and travelled comfortably until approaching the home straight but then proved disappointing when placed under pressure and in his opinion was disappointing. He added that he recommended to connections the addition of blinkers and a step up over further distances. Trainer H. Haves advised that he will give consideration to the addition of blinkers and he will step the horse up in distance. A post-race veterinary examination revealed no abnormalities and a swab sample was taken.

S. Comments: When questioned regarding the disappointing performance, trainer M. Wilson stated he felt the mare was not suited by having to work hard in the early stages and he also noted that it had previously not performed well on rain affected tracks. He undertook to report to stewards any abnormality that comes to light which may have affected the performance. A post race veterinary examination failed to reveal any significant abnormalities.

He added however he felt the filly would appreciate a step up in distance which would allow it to travel more comfortably in the early stages.

S. Comments: When questioned as to the horse's disappointing performance. T. Harrison stated that the intention was to obtain cover, however from the wide barrier she was obliged to settle outside the leader and as a result, the gelding overraced in the early and middle stages, which resulted in it weakening over the final 300m. Trainer H. Page indicated that the blinkers would be removed at its next start.
