In Running: /1/2 S. Comments:Rider D. Griffin reported that the horse tired over the concluding stages, which may have been as a result of it getting its tongue over the bit.

Stewards ordered that a veterinary examination be conducted on the colt, however this was unable to be carried out as the horse had left the course. Trainer J. McLachlan was reminded of his obligations to ensure that his runners remain on course for the prescribed period following an event. Mr McLachlan indicated that he may experiment with the addition of a tongue tie to the horse's gear at its next start.

900m, the gelding over raced for a short distance afterwards, however after travelling nicely only found the line fairly and proved disappointing. He added that SHENVAL may perform better when stepped up over further distance than that of today's event.

S. Comments:Held up approaching home turn. Questioned tactics adopted - rider stated from awkward barrier content to obtain midfield position with cover bearing in mind strong tempo early stages. Rider added in early stages anticipated would be able to settle midfield position outside of FREEPORT, which he thought would cross to rail. However, when PUT YOUR HANDS UP improved to inside of FREEPORT he was going to be caught 3 wide so elected to restrain to get cover behind FREEPORT, which resulted in him racing further back in the field than anticipated.

S. Comments: Questioned re performance, Jockey Stated despite travelling well in the early and an middle stages, failed to respond when placed under pressure leaving 600m. Of the view gelding failed to handle today's soft conditions. Jockey Galloway noted gelding had been disappointing in a trial leading into today's race in similar conditions. Trainer D Kelly confirmed Jockey Galloway's comments. Post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination. Trainer subsequently reported that horse had trialled well on a good track with the addition of blinkers.

S. Comments: Raced wide for the majority of the race. When asked to comment on the performance, apprentice J. Orman indicated he had been instructed to attempt to take up a trailing position behind the leaders, however from the wide alley and the horse having its first start in blinkers, he unable to do so and was caught wide. He added that his mount raced greenly and despite this finished the race off well and was doing its best work over the concluding stages.
