When asked to comment on the performance, Jockey M Hellyer stated that the gelding travelled comfortably during the early and middle stages but was reluctant to improve between runners when asked to improve passing the 400m. Jockey Hellyer was of the opinion that the gelding would be better suited when able to improve to the outside of runners and also when stepped up over further distances.

Comments:Jockey questioned re riding tactics approaching and rounding the home turn whereby he shifted from the running rail wider on the track enabling BUDGET BENDER to obtain a run to his inside. Jockey explained horse commenced to lay out after passing the 600m and continued to shift out despite his efforts. Jockey added that in hindsight it would have been a better option to change his whip to his left hand to assist him in maintaining a position on the rail. Stewards noted explanation.

S. Comments:Leaving 800m steadied when tightened for room. Rider questioned re why she lost ground in early stages, resulting in her racing at rear of the field. Explained that after beginning well she was forced to steady the mare when tightened for room leaving the 800m, at which point her mount dropped the bit losing more ground than expected. Rider added she then had to ride the mare along just to hold its position at the tail of the field however, finished the race off well. Rider conceded in hindsight should have been more vigorous in the early stages in an effort to hold a midfield position.
