He said from the wide draw, and speed inside, he restrained, tryng to cross and find a midfield rail position. He said at the start it was reluctant to stretch out early and got further back than anticipated, and in the back straight began to travel strongly and overraced but then travelled nicely thereafter, and in the straight despite having an uninterrupted run, it only finished off fairly, adding he would recommend it be stepped up in distance.

Rider agreed with stewards and conceded bearing in mind heavy conditions and the mare was stepping up in distance should have made a better effort to ease the tempo middle stages.

S. Comments: Slow to begin. Questioned re; riding in early stages. App stated after beginning awkwardly he was obliged to ride gelding to take up customary forward position. Concerned with how much he had to pressure horse early and as such was content to settle outside leader. App also mindful that gelding had over-raced when ridden hard in early stages at its last start. Stewards advised App that he should have continued to ride forward so as to obtain lead outright
