S. Comments:Rider questioned reasons why he elected to shift outwards after leaving 800m to race in 3 wide position - stated mare pulled hard early stages and when attempting to restrain would not come back to him and relax and as a result he allowed it to shift outwards approaching the 600m and away from LA DOLCE VITA. Added that in his opinion HIGH SPECS then settled.

Comments:When questioned as to the performance, Jockey D Griffin stated that he was able to cross the runners drawn to his inside and take up a prominent position in the early stages without applying too much pressure after which the mare travelled comfortably in the middle stages. However, when placed under pressure rounding the home turn the mare failed to respond to his riding and was most disappointing today. Jockey Griffin was of the opinion that the mare may have come to the end of its preparation. The horse was ridden accordingly. M. Cahill indicated that after travelling well in the early and middle stages the horse failed to respond to his riding from the 500m and proved very disappointing. He was of the opinion that the pace of the race did not suit the horse as when the race developed into a sprint home the gelding was left flat-footed and could not make up ground. He indicated that connections suggested that they may consider sending the horse for a spell.

Lloyd indicated as the horse was having its first start and had not shown early speed in its barrier trial, he was instructed to settle his mount where comfortable and after travelling well responded to his riding in the home straight and was doing its best work over the concluding stages. A post race veterinary examination revealed signs of lameness in the near foreleg. A veterinary clearance will be required prior to next race start.
