S. Comments:Slow to begin. Questioned re tactics after improving around field leaving 1300m - rounding turn near 1400m SIR ROTHEWAY did not appear to be travelling well so elected to shift wider to improve position. Intention was to then shift back in to obtain trailing position behind MR MALU down back

straight however, SIR EARLSTOUN improved to his inside which left him 3 wide near 900m. So allowed mare to stride forward to settle outside MR MALU near

700m. Stewards advised erred in failing to obtain position behind SIR EARLSTOUN after improving around SIR ROTHEWAY.

He stated that at Ipswich the instructions were to ride forward, however the mare was unable to hold that position and got back to near the tail of the field and was forced wider on the home turn. He said today the mare was allowed to hold a position behind runners and was able to sprint when placed under pressure.

When questioned regarding the performance, Jockey J Taylor stated that despite suffering interference in the early stages the gelding travelled comfortably throughout and commenced to improve into the race as expected passing the 500m. However, the gelding peaked on its run leaving the 300m and in his opinion was disappointing. Jockey Taylor was of the opinion that the gelding may have come to the end of its preparation. S. Comments:Slow to begin. Held up rounding the home turn and again in the early stages of the home straight. Stewards asked N. Day to comment on the horse's performance. He stated that after beginning awkwardly, the horse lost further ground when he momentarily lost the use of an iron, which took a short distance to regain. He indicated that he would have liked to have been in a more forward position, however the horse did not muster early speed. He added that the horse finished the race off strongly and in his opinion would be suited to racing over a further distance than that of today's event.
