S. Comments:The start was delayed when the mare proved difficult to load. Jockey L Cheshire reported at scale that she noticed that its tongue was over the bit and that she recommended to connections to experiment with a tongue tie or a tongue control bit before the mare's next start. She added further that this may have contributed to the mare not running out a strong 1400m today. Trainer E Forrester reported to Stewards that the mare had returned after the race with a laceration to the near side hip and also with its tongue over the bit.
