S. Comments: Jockey M. Cahill reported his disappointment with the horse's performance and attributed this to his mount racing too keenly in front and therefore not running out a strong 1600m. He indicated he recommended to connections to drop the mare back in distance and attempt to secure cover as he felt it would settle if given that opportunity. A post race veterinary examination revealed mild heat stress.

S. Comments:Bumped shortly after start became unbalanced. Rider questioned re performance - stated after being bumped at start and with strong early tempo content to settle in midfield position with cover Added passing 500m attempted to improve between THE MONK and THE LYNCHES but steadied when placed in restricted room. Following this gelding failed to respond as expected and in his opinion proved disappointing. S. Comments: Riderquestioned regarding tactics. He said that two starts ago	o at the Gold Coast th	e horse was ridden in a r	more forward position as instructed.
He added that at its last start the horse began awkwardly and lost ground,	settling further back of	over an unsuitable trip. H	le further added that he was
instructed to ride aggressively in the early stages to settle in a forward posi	tion. Trainer confirme	ed that instructions have	been previously to settle in a
forward position, however last start, due to circumstances, settled further b	ack than anticipated.	Stewards noted both ex	plananations.

S. Comments: Began awkwardly and lost ground. When questioned regarding the horse's performance, S. Doyle stated that the gelding was fractious in the barriers and as a result began awkwardly, causing him to settle further back than anticipated. He added that in his view this had a detrimental effect on its performance as the gelding is one-paced and is better suited when able to dictate terms when leading.
