S. Comments:When questioned regarding the horse's performance and his riding in the home straight, R. Fradd explained that when entering the home straight the gelding was inclined to lay in, which he felt was similar to its last start performance when it bled from one nostril and for this reason he was reluctant to overly pressure his mount over the concluding stages. Stewards advised jockey Fradd that he would be expected to report any matter that may have had an effect on a horse's performance so as not to leave his riding open to question.

S. Comments:Began awkwardly, lost ground and as a result settled further back in the field than anticipated. When questioned as to the horse's seemingly disappointing performance, J. Lloyd advised that the horse is best suited when able to lead in its races or when racing to the outside of other runners and for that reason, in his opinion, the horse missing the start and being forced to obtain inside runs in the home straight were the major contributing factors to the horse's poor performance today. S. Comments:Trainer questioned re improved performance - stated not overly disappointed with previous form. Noted gelding had been slow to begin and forced to race wide throughout at its last start at Ballina and at start prior at the Gold Coast was not suited by slow tempo. Noted gelding performs better on good tracks.
