He said after RUBY RED HEART crossed to his outside, the filly was under pressure and approaching the home turn he felt he was on a beaten horse. He believed the horse made an abnormal respiratory noise during the event. Tnr could offer no excuse for the disappointing performance but would consider adding a tongue tie to the horse's gear. Vetted, no abnormalities.

S. Comments:Began awkwardly, lost ground and as a result settled further back in the field than anticipated. When questioned as to the horse's seemingly disappointing performance, J. Lloyd advised that the horse is best suited when able to lead in its races or when racing to the outside of other runners and for that reason, in his opinion, the horse missing the start and being forced to obtain inside runs in the home straight were the major contributing factors to the horse's poor performance today. Stewards noted the explanation.

S. Comments:Rider questioned re performance - stated intentions were to obtain lead if possible however, once runners to outside crossed him he was content to settle just off the speed behind the leaders. Added filly under pressure from 600m and then commenced to weaken upon entering home straight and for this reason he did not overly pressure his mount for the remainder. Further added in his opinion the filly was most disappointing. Vetted - no abnormalities.

S. Comments:Rider questioned re tactics - stated instructions from wide barrier today were to take up a position to rear of field. Noted gelding had drawn inside barrier at last start over further distances where it had settled in a forward positon without being ridden aggressively. Added prior to last start gelding had been ridden in a manner consistent with today's tactics.

S. Comments:Trainer K. Schweida advised that from the wide barrier and with the pace expected to be slow, the horse would be ridden in a forward position if circumstances permit. After being ridden forward in the early stages, was forced to race wide and was then eased to take up a position midfield. Finished a distant last. A post-race veterinary examination revealed no significant findings.

S. Comments:Difficulty securing clear running between 200m and 100m. Questioned re tactics early stages - App. Bayliss stated instructed to obtain forward position but if tempo was strong obtain cover behind leaders. When DEVILS FIRE pressed forward passing the 1200m concerned if maintained position to inside would have resulted in strong tempo. Elected to restrain and obtain cover behind Devil's Fire afterwch tempo slowed considerably. Advised ought to have maintained lead in early stages.

S. Comments:Rider questioned re performance - noted gelding was up in distance today and in his opinion failed to run out today's 1800m. Trainer stated gelding may not have been suited by slow tempo in middle stages after rider allowed SIDETRIP to cross forward to lead passing 1000m. Noted 2 starts ago gelding failed to run on strongly in a similar run race over 1400m. Considered gelding may have been better suited remaining in lead where it could have dictated terms and for this reason he was undecided if it was suited over similar distances to today's event.
