S. Comments:Change of tactics. Connections advised the horse would be ridden back in the field. Jockey J. Lloyd was asked to comment on the tactics adopted in the early stages. He indicated that he had been instructed to obtain cover, which he attempted to do from the wide barrier, however felt he was going to be forced to position the horse further back in the field than he would have liked and therefore at approximately the 1400m elected to press the horse forward and see if he could obtain cover in in a midfield position. He was unable to do so and was obliged to race 4 wide from that point onwards.

In his opinion tempo was strong early and was reluctant to urge gelding to hold out another runner passing 1200m. Held up on back of tiring runners from 600m to 300m before securing clear running and finished off race well. Better suited over similar distance when able to dictated terms off a slow tempo

Added after being caught racing outside of REDEX attempted to steady near 800m however, given previous history of hanging in reluctant to overly restrain. After taking into account fast early sectionals stewards were of the view jockey Plumb had erred in not restraining to take a trailing position behind REDEX. Taking into account the racing manners of the gelding stewards took no further action.
