S. Comments:N. Tomizawa was questioned regarding the horse's disappointing performance. He explained that the gelding travelled comfortably until he shifted three wide and applied pressure approaching the home turn and in his opinion the horse did not feel comfortable in its action in the early part of the home straight so when weakening he elected to ease the horse down. Trainer T. Sears undertook to report to stewards in coming days anything that may explain today's performance. Vetted, no abnormalities. Must trial satisfactorily before racing again.

 S. Comments:Stewards questioned Trainer J Wallace as to the improved performance from its last start. Mr Wallace noted the filly was only having its second start for the stable and at its first start at Murwillumbah on 3 June 2018, had begun awkwardly and lost significant ground at the start. Mr Wallace noted that following that performance he added blinkers, tongue-tie, ear- muffs and barrier blanket to the fillys gear and combined with a good performance in a recent trial he was confident of a forward showing today.

Rider explained after being wide early obtained trailing position passing 900m. Stated only travelled fairly from that point on and passing 650m commenced to weaken and in his opinion was making an upper respiratory noise and elected not to pressure over concluding stages. Vetted - no abnormalities. Stable reported sustained small laceration to outside of near fore leg. Trainer advised will require endoscope and vet clearance.
