 S. Comments: Shortly after start when being ridden forward to obtain a position closer to the rail the saddle shifted back noticeably causing the mare to attempt to buck and in doing so shifted in tightening runners to its inside and eventually made heavy contact with the running rail for a short distance and lost ground. From that point was unable to be fully tested for the remainder of the event. As Stewards were of the opinion that the mare had attempted to buck because of the saddle shifting back they took no further action.

Jockey Frater stated that the instructions were to remain neutral out of the gates in an attempt to get the gelding to settle and prevent it from over-racing. The gelding then continued to lose contact with the second last horse despite Jockey Fraters efforts. Trainer T. Cowan confirmed instructions, however, expected the gelding to race more prominently. S. Comments: Was ridden forward to assume the lead after being wide in the early stages. Jockey S. Cormack was asked to explain his tactics in leading today, which is in contrast to the horse's established racing pattern. He indicated that he had been instructed to ride in a midfield position, however when caught wide in the early stages it became apparent he would not be able to obtain a position closer to the fence midfield and therefore elected to allow the horse to stride forward to the lead passing the 900m.

S. Comments:Bumped heavily on jumping. When asked to comment regarding today's performance, jockey L. Dittman said that the gelding travelled well in the early stages and then approaching the 600m and for a short distance after felt very flat and failed to respond when asked. He further stated that whilst hitting the line well the gelding was very disappointing. A post-race veterinary examination revealed no abnormalities.
