A post race veterinary examination failed to reveal any significant abnormalities. Trainer's representative Mr M. Henderson indicated they would have veterinary tests performed during the week and would report back to stewards the results. He also added that, in his opinion, the horse may not have appreciated the soft racing surface.

S. Comments:Slow to begin. Jockey Hellyer was asked to comment on the performance of the mare, which finished last. He indicated that the horse was disappointing in his opinion, however added that the horse was second up in today's event and has previously not had a good second up record, however could not add any further explanation for the performance. A post race veterinary examination failed to reveal any significant abnormality.

S. Comments: Raced wide in the early stages before being permitted to stride forward to a position outside the lead passing the 1100m. A post race veterinary examination of the horse, which weakened badly in the straight, revealed no abnormalities. Jockey M. Cahill indicated he could not explain the performance, which he considered disappointing. He felt the horse had travelled well until after being placed under pressure and then weakened badly in the final 400m. Stewards advised connections that the horse would be required to trial satisfactorily prior to starting again.
