S. Comments:Bumped at start. Inquiry re poor performance. Rider said she began well and obtained a forward position but was forced to work to cross in the early stages due to the fast tempo. She added it travelled reasonably early, but when pressured from the 450m, failed to respond and proved disappointing. She added on return to scale the horse appeared to be sore in near hind leg. A post race veterinary examination revealed lameness in the near hind leg. A veterinary clearance will be required prior to its next race start.
