S. Comments:Rounding the home turn had to be steadied to avoid the heels of another runner, which shifted out when not quite clear. A post-race veterinary examination of the gelding which raced wide throughout did not reveal any abnormalities.

S. Comments:Stewards considered an objection lodged by second placegetter against gelding alleging interference in the home straight. After taking evidence from all parties and viewing the available footage it was established that near the 200m gelding shifted in and bumped second placegetter however bearing in mind the minor nature of the interference and the manner in which both horses ran to the finish stewards could not be comfortably satisfied that had the interference not occurred second placegetter would have beaten gelding and subsequently dismissed the objection.

S. Comments:When questioned in relation to the gelding's seemingly improved performance in today's event as opposed to it's previous start when it raced ungenerously throughout, trainer attributed the improvement to the addition of a cross over noseband and lugging bit, which assisted the gelding to race more tractably today. Stewards noted the explanation.

S. Comments:When questioned regarding the apparent improved performance of the filly, trainer explained that BONNIE BON BON resents racing in restricted room and this contributed to today's improved performance in that the filly was able to settle in a rearward position and was able to obtain clear running on the extreme outside of the field.
