S. Comments:COT: To be ridden back; settled back. Stewards considered an objection lodged by second placegetter against mare alleging interference over final 100m. On the evidence stewards found that passing the 200m mare improved from a position behind second placegetter and at 100m improved past that runner and shifted into the running of second placegetter however the interference was deemed negligible. Given the minor nature of the interference and the margin of 1 ¾ lengths stewards deemed the protest to be frivolous. Accordingly, the protest was dismissed and the judge's placings ordered to stand.

On the evidence it was established that inside the final 30 metres gelding shifted out under riding and bumped the second placegetter carrying it wider. Bearing in mind the manner in which both horses ran to the finish, and the margin of a nose between them at the finish, stewards were comfortably satisfied that had the interference not occurred second placegetter would have finished ahead of the gelding. Accordingly the protest was upheld and the placings amended.
