S. Comments: Questioned re performance, rider stated that his mount enjoyed a comfortable run behind the leaders in the early and middle stages however was under pressure to maintain its position from the 600m and weakened in its run to the line. Trainer M. Wilson stated that the filly had worked well leading into the event and he was confident of its chances. He stated that although the filly has given every indication that it wants ground, it was its first attempt at the 1600m journey today and it may not have run out the distance. Post race vet exam did not reveal any abnormality.

Was of the view the runner forward of him would cross to the fence so pushed forward to sit outside it but it was unable to do so which resulted in him racing 3 wide in middle stages. Was unable to restrain, despite his efforts, to obtain cover during middle stages. refer full report.

S. Comments:Rider J. Byrne explained that the tempo mid-race was only moderate and as he has done previously he elected to allow the horse to stride forward from the 700m as the horse is not one that is able to sprint when the pace quickens. He said despite this TARTAN WARRIOR did not respond and was a beaten horse prior to the home turn and in his opinion was most disappointing. He added that there appeared to be no obvious issues with TARTAN WARRIOR other than in his opinion it raced like a tired horse and he had recommended to connections that the horse should be spelled.
