S. Comments:Raced extremely wide throughout. T. Harrison was questioned regarding her riding in the early stages. She stated that she had been instructed to ride the filly quieter today, however she was unable to gain cover and therefore she was obliged to race wide throughout. Trainer T. Gollan explained that from the wide draw he was concerned with the significant amount of speed of other runners drawn to his inside and for this reason he instructed his rider to "come out neutral" rather than be involved in a speed battle and get caught wide.

S. Comments:Inquiry re poor performance. Rider said after beginning well he rode his mount along in an endeavour to obtain its customary leading position, but when runners drawn to his outside showed superior pace, he had to take a trailing position near the 1000m. He added that shortly after obtaining this position, the mare failed to travel strongly on the bit and was under pressure, proving disappointing. He added that, in his opinion, given its established racing pattern, in his opinion, it was not suited when unable to lead tonight.

Harrison stated she was of the opinion that the horse would be better suited over more ground and she attempted to settle in the second half of the field. However she believed it did not muster sufficient early speed to take up that position and settled at the tail of the field. Miss Harrison added she attempted to improve her position after passing the 600m, however the horse did not respond and felt awkward in its action over the concluding stages despite working to the line fairly.Veterinary examination revealed the horse to be sore over the rump
