Comments:Questioned re: performance - Rider stated gelding settled in rearward position but became concerned in early stages horse wasn't travelling comfortably. From the 900m horse was inclined to lay in and despite his efforts would not respond. He added that despite his efforts the gelding failed to respond to his riding in the straight and was most disappointing. Trainer indicated horse had previously performed poorly at Doomben and may be better suited on bigger tracks. S. Comments:R. McMahon explained in today's track conditions he was content to remain racing one off the fence in the middle stages, being aware BILLY DA BOSS was to his outside, 3 wide without cover. He added when that horse steadied and shifted to the inside of his mount he was content there as he felt the track was inferior on the rail. He added when he attempted to improve approaching the 500m he was obliged to race wider than he would have liked however he did believe that the condition of the track out towards the middle was better than the section in which BILLY DA BOSS was racing on. S. Comments:Slow to begin. When asked to comment on the horse's performance, M. Cahill indicated that the horse stood flat-footed as the start was effected and lost significant ground. He added that the horse increased tempo well in the early stages and he was of the view that if the horse had begun well, he would have been able to take up a forward position. He added that he recommended to connections to step the horse up over 1200m as the horse was doing its best work over the concluding stages and he was very satisfied with the performance.

S. Comments:Began awkwardly. Overraced in the early stages and got its head up on a number of occasions. Rider M. Cahill was questioned regarding the tactics adopted in the race. He stated the riding tactics were left up to him, however after jumping he elected to take hold of the filly and settle at the rear of the field from the wide barrier. He added however the filly never settled and pulled very hard throughout the event. He advised connections it would be better suited racing in a handier position.

S. Comments:Rider explained that the horse was tardy to begin, which did not concern her as she had been instructed to ride it in a rearward position. She said the horse seemed to travel well throughout the run, however from the 700m when the tempo of the race quickened, her mount was left flat-footed and despite her urgings was unable to sprint with the remainder of the field. She added that as a result, VODNIK was unable to make up ground and finished one-paced in the run to the line and was most disappointing. Trainer said the gelding does not appreciate racing on firm surfaces. Vetted, lame near fore.

S. Comments:Rider M. Cahill advised that from the wide alley he elected to take up a position at the tail of the field, and as the race was not run to suit, this resulted in him being further from the lead than he would have liked. He added that approaching the home turn he elected to shift wider when making his run rather than improving through the field as his instructions were to have an unimpeded run in the home straight. He added that the horse would be better suited from a closer alley and ridden closer to the lead.
