He said over the final stages it made an abnormal respiratory noise. Stewards felt his actions had no material effect on the placings, however advised him that he would be expected in similar circumstances to ride his mounts out at least in a hands and heels fashion. stated she wanted position closer to the lead, But after being interfered with at the start was obliged to steady and position towards the rear of the field.

She added it raced raced greenly and was somewhat field shy in the race, adding that in the home straight she was obliged to steady from weakening horses

and when afforded clear running to the outside the horse finished the race off well and was doing its best work over the concluding stages.

He added that his mount was inclined to lay in under pressure in the home straight, resulting in him reverting to hands and heels, however the horse weakened noticeably over the final 50m.
