S. Comments:After passing the 1600m, when the pace was only steady, rider rode the horse forward to take up a position in the lead after passing the 1300m. Rider questioned regarding his reasons for leaving the fence after passing the 500m, which afforded clear running for the eventual winner to improve to his inside. He stated that during the preliminary he had assessed that in his opinion the inside running on the fence was inferior to his position slightly off the fence and as such he was satisfied to shift away at that point. Stewards noted the explanation.

S. Comments:When questioned regarding the mare racing further forward, rider stated he was instructed to ride his mount in a midfield position.Rider explained that when his mount began fairly he rode it along in which it responded stronger than he expected. M. Dolendo stated that his mount settled in handy position, where it raced comfortably and sprinted strongly to the line. When question regarding tactics trainer stated it was the mares second start for his stable. Mr Randall added that at the mares most recent start it raced worse than midfield from a wide barrier.

S. Comments:Inconvenienced by another runner on jumping away. After being restrained after passing the 900m, commenced to overrace and hung out.Held up rounding the home turn and in the early stages of the home straight.Following this event, stewards were made aware that the gelding had a minor laceration to the inside of its mouth.Stewards interviewed trainer D.Meagher, who indicated that this injury had been present for a short time and with treatment had been healing, and, in his opinion, had healed sufficiently for the horse to race.Stewards reprimanded Mr Meagher for failing to notify this condition.
