S. Comments:Hung in under pressure in the straight. When questioned regarding the riding tactics adopted in the early stages, rider reported that he had no specific instructions and as the horse did not begin well, he restrained to the rear of the field in an attempt to obtain cover. He said the horse initially shifted out in the early part of the straight, which resulted in him changing his whip to his left hand, and soon afterwards the horse shifted in when placed under pressure so over the concluding stages he elected to ride the horse in a hands and heels manner. Stewards noted his explanation.

S. Comments:Leaving 800m steadied when tightened for room. Rider questioned re why she lost ground in early stages, resulting in her racing at rear of the field. Explained that after beginning well she was forced to steady the mare when tightened for room leaving the 800m, at which point her mount dropped the bit losing more ground than expected. Rider added she then had to ride the mare along just to hold its position at the tail of the field however, finished the race off well. Rider conceded in hindsight should have been more vigorous in the early stages in an effort to hold a midfield position.

Ms Fancourt added that she had been instructed to not overly restrain the gelding as it was one-paced and for that reason she was content to race forward of LIBERATION during the middle stages. Stewards advised apprentice Fancourt that she would have been better suited making greater effort to restrain the gelding in the early stages so as to sit off LIBERATION.

S. Comments:Rider questioned re performance stated the gelding was taken wider passing the 700m and was then forced to steady from the heels of another runner. Rider added the gelding was then momentarily held up rounding the home turn when the eventual winner ELJETEM improved to his inside. Rider further added the gelding then commenced to finish the race off well before being inconvenienced near the 100m after improving onto the heels of LA SPIAGGIA and then went to the line without being fully tested.

S. Comments:Jumped away awkwardly and made contact with another runner. Had to be steadied when forced to race in restricted room near the 1300m. Raced wide for the majority of the race. Jockey R. Wiggins reported that he would like to have obtained a position midfield, however the horse was inconvenienced by another runner shortly after the start and could not muster sufficient speed to remain in a midfield position and as a result settled near the tail of the field. He added that the horse after obtaining clear running in the home straight was doing its best work over the concluding stages.
