S. Comments: When questioned regarding the horse's disappointing performance, rider stated that the horse travelled well until near the 600m, however

failed to respond to his riding thereafter and was disappointing. Trainer advised stewards that it would now be the intention to have an endoscopic examination carried out on the gelding, the results of which he will forward to stewards. He added that is now the intention for the horse to be sent for a spell.

Apprentice Schmidt stated that with the addition of blinkers today on the horse, she was instructed to take up a forward position. She added that the gelding travelled strongly in the early stages and as a result she allowed it to stride forward and settle outside the leader.
