However, when afforded clear running passing 200m the mare failed to quicken and in his opinion was immediately under pressure. Jockey added for this reason he elected not to ride the mare out with usual vigour over final 100m. Stewards noted explanation and reminded jockey to ride mounts out to end of race. Trainer noted mare showing signs of coming into season prior to race, which may have had bearing on horse's performance.

S. Comments:Inquiry re performance. Rider B. Appo stated that his mount began well but could not muster its customary early speed and as a result settled in a handy position with cover. He added that when pressured by TEARS after passing the 700m, the mare was immediately under pressure and did not respond to his riding from that point and was, in his view, disappointing. A post race veterinary examination revealed a slow recovery rate.
