S. Comments:Questioned re: performance - rider instructed to lead and after beginning slowly he rode the gelding vigorously to obtain a forward position has he did not believe it was in the gelding's best interests to restrain and settle at the rear of the field. When runner forward of him commenced to weaken had to steady from its heels and shift wider to improve into the event. Considering the tough run the gelding had he was not disappointed with its performance.

S. Comments:Steadied near the 1000m when tightened for room. A post race veterinary examination revealed the horse had bled from both nostrils following the race. Connections were advised that the horse would be barred from racing for a period of 3 months, and must perform satisfactorily in a 1000m gallop prior to racing again. Shifted ground to obtain clear running near the 400m and rider B. Grylls was reprimand for causing interference to another runner.
