 S. Comments:Questioned re tactics - rider stated instructed to ride forward as had been slow to begin in previous 2 starts. After begining awkwardly and from wide barrier had to ride vigorously in early stages to comply with instructions. Pressure required in early stages had detrimental effect on overall performance. Noted filly trialled well when settling in forward position and would derive fitness benefit from run. Trainer confirmed instructions and would issue similar instructions in future when stepped up over further distance. Reminded of obligations to advise of change of tactics.

He stated that after beginning awkwardly he rode the horse at the tail of the field, which was in contrast to its recent racing pattern. He indicated in hindsight this may have had an effect on the overall

performance as the horse had a tendency to lay out in the event and was disappointing from the 600m.

 S. Comments:B Stewart reported, in his opinion, the horse was not entirely comfortable in the soft track conditions and he felt that as this was the horse's first start from a spell it would take benefit from the run. Trainer D. Meagher reported that in hindsight he may have erred in removing the blinkers from the horse's gear. He felt that the horse would be more suited to being stepped up over longer distances where the horse would be able to secure a position closer to the lead, and agreed with jockey Stewart's comments that the gelding was not entirely comfortable in today's soft track conditions.

He noted that the horse sweated up more than at its most recent start. Trainer M. Mair agreed with the comments of jockey Cahill and added that he would monitor the horse in the coming days. A post race veterinary examination revealed the filly had pulled up in a distressed state with a poor post-race recovery.
