S. Comments:R. Wiggins was questioned regarding his riding tactics and the reason for him shifting to the outside of the heels of SEQUALEX passing the 800m, and soon afterwards applying pressure to his mount and sustaining that pressure from the 600m. Jockey Wiggins stated that his mount has shown an inclination in the past to hang in when ridden behind runners and for this reason he improved to the outside of SEQUALEX and similarly to when it was successful at its most recent start, he commenced to ride forward from the 600m. Stewards noted his explanation.

S. Comments:Slow to begin and trailed the field and finished a distant last. Jockey J. Lloyd reported that the horse did not travel comfortably and when asked for an effort shortened stride. Due to his concerns with the horse's action he did not pressure the mare over the final 500m and as a result it finished a distant last. A post race veterinary examination failed to reveal any significant abnormalities. Stewards advised connections that the horse would be required to trial satisfactorily prior to racing again. S. Comments:When asked to explain the horse's poor performance, apprentice J. Orman stated the horse was having its first start from a spell and had travelled comfortably throughout, however when placed under pressure failed to respond and tired over the concluding stages. Trainer stated that whilst dissappointed she did note it was first up today and slightly up in grade. However undertook to report to stewards should anything come to light in the days subsequent which may explain the disappointing performance. A post-race veterinary examination revealed no abnormalities.
