S. Comments:The declaration of correct weight was delayed to allow stewards to consider an application by trainer M. Lakey that BROCSOEN be declared a non-runner due to that horse's barrier gates not opening at the same time as the rest of the field's gates had opened. After viewing the patrol footage, stewards were of the opinion that as the horse's barrier gates had only been marginally slow to open and that this had not materially affected the horse's chances, it would be declared a runner.

S. Comments:When provided opportunity to comment on performance rider explained he settled outside of the leader FAR DOOLEY soon after start and was then bumped on a few occasions when JACK BE QUICK improved to his outside, which he felt NEE DE PAPA resented. He added approaching the 500m he allowed JACK BE QUICK to cross his mount and he was immediately under pressure and the colt did not respond to his riding in the home straight. Vetted - found to be mildly lame in the near fore leg. Stewards will interview trainer.

S. Comments:A post-race veterinary examination revealed the mare to have a slower than normal recovery rate. Trainer reported horse pulled up well and an an endoscopic examination failed to reveal any abnormalities. Only tangible explanation was that it may have resented being restrained once it found the lead as had performace poorly in the past when ridden in a similar fashion. Will instruct rider to allow horse to travel along in lead without being restrained next start. If again performs poorly will reaccess current campaign.
