S. Comments:Bumped with another runner on jumping. When questioned regarding the tactics adopted, jockey L. Tarrant stated that his intentions were to take up a forward position and lead if possible, however the filly was unable to show the necessary speed in the early stages and when an opportunity presented to shift in towards the fence, he took that opportunity rather than be caught wide. He added that the filly was not entirely comfortable in today's prevailing track conditions, which he believed may have contributed to today's disappointing performance.

 S. Comments:Trainer S. Lawlor was questioned regarding the seemingly improved performance of the horse today as compared to its last start at Murwillumbah on 16 December. Miss Lawlor explained that DAVE'S VALOUR was not suited when it was unable to lead in that race and does not race well when racing inside of horses in the home straight. She added that the filly had always raced well when able to lead and dictate the tempo of the race. A post race veterinary examination revealed a laceration to the off foreleg and a laceration to the near fore fetlock and off fore pastern.
