Comments: After being slow to begin, attempted to obtain a forward position closer to the rail but was unable to do so and was forced to race three wide without cover for the entirety of the event. When questioned regarding the horses performance, trainer K. Kemp, after viewing the video, agreed that the gelding had a hard run being caught wide without cover, noting that it was up in class for todays event and after also noting that it may have come to the end of its campaign stated that he was not overly disappointed with todays effort. He added that he would assess the geldings post-race recovery.

S. Comments: Shortly after the start the cap came off the helmet of jockey J. Lloyd. This displaced jockey Lloyd's goggles and as a result when racing behind other runners leaving the 700m, jockey Lloyd's vision was impaired due to the kickback. He then attempted to adjust his goggles, which he was unable to do until approaching the 500m, which had an effect on his mount's position as the filly lost ground during that period.

Comments: When questioned regarding the horse's seemingly improved performance, trainer C. Munce advised that the gelding has been showing more

ability in track work than it has in its race performances. He said that last start it travelled will in the run on the speed but failed to finish the race off over the concluding stages. Therefore, he elected to remove the blinkers for today's event. He added that the horse was having its third run back from a spell in the appropriate grade today and he was hopeful that the horse would race much better and he was not entirely surprised by its win.

S. Comments: When questioned regarding the horse's performance and his riding in the home straight, R. Fradd explained that when entering the home straight the gelding was inclined to lay in, which he felt was similar to its last start performance when it bled from one nostril and for this reason he was reluctant to overly pressure his mount over the concluding stages. Stewards advised jockey Fradd that he would be expected to report any matter that may have had an effect on a horse's performance so as not to leave his riding open to question.
