S. Comments:Hung out on the bends. Jockey L. Rolls explained that the horse began well, however commenced to hang out shortly after. He said after being crossed by other runners it appeared to resent racing in behind those horses, dropped the bit and despite his urgings lost ground. He said at its only jump-out the filly was able to lead, however in his opinion it would benefit from today's racing experience, adding that his mount was uncomfortable in the soft track conditions.

He added that at its last start the horse began awkwardly and lost ground, settling further back over an unsuitable trip. He further added that he was instructed to ride aggressively in the early stages to settle in a forward position. Trainer confirmed that instructions have been previously to settle in a forward position, however last start, due to circumstances, settled further back than anticipated. S. Comments:Began awkwardly and lost ground. When questioned regarding the horse's performance, S. Doyle stated that the gelding was fractious in the barriers and as a result began awkwardly, causing him to settle further back than anticipated. He added that in his view this had a detrimental effect on its performance as the gelding is one-paced and is better suited when able to dictate terms when leading.
