S. Comments: Steadied when crowded for room by OKANAGAN MISS which shifted in passing the 1100m when not fully clear. Failed to respond when placed under pressure passing the 400m. Jockey M. McGillivray reported that the filly only travelled fairly throughout and, when placed under pressure, proved slightly disappointing. A post-race veterinary examination revealed the gelding to be exhibiting a poor post-race recovery.

raced without cover in that position from that point.

S. Comments: Hampered on jumping. Raced three wide without cover throughout. After passing the 600m was forced wider on the course by INTIMISSIMI which shifted out to improve. When asked to comment on the performance, App. A. Patis explained that after being hampered on jumping and then being forced to race wide without cover, the gelding faded over the final 200m which she attributed to the wide run and being second up today on the heavy track. Stewards noted the explanation.

S. Comments:Checked at the start. Stewards asked Jockey R. Plumb for an explanation regarding the geldings performance. Jockey Plumb explained that after being severely checked at the start, he settled at the rear of the field and the gelding contacted the rail on two occasions passing the 1000m when racing to the inside of BEAUETA. He added that the gelding finished fairly in the home straight but in his opinion the interference at the start had a direct bearing on todays performance. A post-race veterinary examination failed to reveal any apparent abnormalities.

instructions were to settle in the second half of the field. Stated near 800m when speed of the race increased gelding left flatfooted and failed to respond to his riding as expected. Further stated whilst gelding finished off reasonably well he thought the performance was one paced.
