S. Comments: Jockey and connections of gelding, lodged an objection against third placegetter, alleging interference rounding home turn approaching 400m. After taking evidence from all parties, viewing patrol films it was established that near the 400m the other runner shifted in and momentarily hampered gelding however bearing in mind the minor nature of interference, the manner in which both horses ran to the finish and the 1/2 length margin stewards could not be satisfied that had interference not occurred gelding would not have beaten other runner and subsequently dismissed the objection
