 S. Comments:Blundered near 200m. Rider explained that she was instructed to ride back in the field, as per established racing pattern. After beginning well, when early tempo was moderate the mare raced keenly. Approaching 700m rather than restrain, she allowed mare to stride forward and assume lead. Her opinion was that addition of blinkers may have been detrimental to performance.

S. Comments:When questioned regarding her riding Apprentice stated that the gelding, which was having its first race start, was slow to begin and shortly afterwards was further hampered and raced in a rearward position throughout. She said that shortly after straightening for home she shifted her mount to the outside, where she attempted to place it under pressure, however when struck with the whip it shifted out abruptly and raced greenly.
