Stewards considered an objection lodged by Jockey of second placegetter alleging interference in the home straight. After taking initial evidence Jockey made application to withdraw the objection

however as stewards believed that the hearing was warranted the application was denied. On the evidence it was established that over the concluding stages gelding shifted out towards second placegetter for a considerable distance however both horses had an unimpeded run to the finish. Protest

S. Comments:Passing the 1200 metres improved onto heels and had to be steadied. When questioned regarding his riding approaching the 600 metres, as to whether there was an opportunity to improve earlier than he did, Jockey said that, bearing in mind that the gelding was first-up since January, rather than attempt to sustain a long wide run, he elected to remain racing on the back of another runner, however when that runner did not quicken as expected, he was obliged to shift out rounding the home turn, when the gelding ran home strongly. His explanation was noted.

S. Comments:Stewards questioned apprentice in regard to his ride. Apprentice explained he had been instructed to ride gelding in a forward position. He said after beginning well he rode his mount along in an attempt to comply with his instructions. Added that in the middle stages he was able to work forward of the other runner however was unable to cross when he received calls appealing for racing room. Apprentice concurred with stewards that he should have made a greater effort to cross the runner to his inside which would have enabled him to dictate terms in front and not cover excessive ground.

S. Comments:Questioned as to performance - rider stated instructed to lead however when another runner improved forward of him he was concerned with the tempo so elected to ease to take a sit off the leader. Mare was then under pressure leaving the 600m and in his view was disappointing. He felt that the mare was not entirely comfortable in the rain effected conditions. Trainer agreed that mare did not handle the wet conditions.
