When questioned regarding the performance of the gelding jockey stated that his mount began well and travelled strongly in the early and middle stages. Added his mount failed to respond when placed under pressure passing the 500m and weakened noticeably in its run to the line. Stated that throughout the event his mount was making an abnormal respiratory noise. A post race veterinary examination of the gelding did not reveal any abnormality. Trainer advised that the gelding requires an endoscopic examination prior to its next race start.
