When questioned regarding the reason for him shifting off the fence when leading from the 600m, , Jockey explained it was his intention to shift wider approaching and rounding the home turn as it was his view that when the rail was in the true position racing towards the middle of the track is more advantageous. Stewards noted the explanation.

He said at this point near 1000 metres other runners improved to his outside and in doing so crowded his running resulting in him losing ground. He added soon after he was held up on heels. He said he was again held up in straight and did not obtain clear running until near the 100 metre. Stewards advised apprentice that he should have made a greater effort to hold the lead when the tempo was only moderate.

S. Comments:When questioned regarding the disappointing performance of the mare, Jockey said that, despite being momentarily tightened for room in the early stages, his mount travelled comfortably throughout in a rearward position, however when placed under pressure rounding the home turn did not respond and was disappointing. A post-race veterinary examination of the mare did not reveal any abnormality.

Comments:When questioned as to the performance, App. M Murphy stated that the gelding travelled comfortably in the early and middle stages but when asked to improve leaving the 600m was left flat-footed when the tempo of the race increased. App. Murphy added that the gelding was doing its best work over the concluding stages and may appreciate a step up in distance. Trainer M Lakey was of the view that the slow tempo in the early and middle stages did not suit the gelding's racing style and accordingly he was not overly disappointed with the performance.

S. Comments:When questioned Jockey said that after beginning fairly and when runners to his inside showed superior speed, he elected to ride his mount in a rearward position with cover, where it travelled comfortably throughout, however after being inconvenienced near the 700 metres lost further ground. He said that approaching the home turn he was in a winnable position, however the gelding failed to respond to his riding and went to the finish only fairly. A post-race veterinary examination did not reveal any abnormalities.

S. Comments:Approaching the 200m shifted out under pressure. When questioned regarding the poor performance Jockey said that she had to make some use of her mount in the early stages to obtain a position closer to the running rail, rather than be caught wide, however even allowing for this, she said her mount was disappointing and weakened from the 200 metres. Jockey added that in her opinion the gelding did not appreciate the quick back-up after Saturday's race. A post-race veterinary examination did not reveal any abnormalities.
