S. Comments:Was retired from the race at the 800 metres by the rider. A post - race Veterinary examination did not reveal any abnormalities. Jockey on being interviewed stated that soon after start the gelding attempted to buck and took no further competitive part in the event. Trainer advised that he had adjusted the saddle in the mounting yard and believes that was the cause of the gelding's race behaviour. Trainer was advised that the gelding must complete a trial in the presence of Stewards before again being permitted to start again.

When questioned regarding the poor performance jockey explained that the mare has a tendency to mix its form. He said that after beginning only fairly the mare raced in a rearward position where it resented the kickback and tailed off. He added that in his opinion the mare was stepping up sharply in grade and may not have handled the extra weight. Trainer concurred with the views of jockey.
