Jockey explained that he intended to obtain a forward position however when runners to his outside showed superior speed and crossed he felt that the gelding was never a winning chance from that point and was disappointing. A post-race veterinary examination revealed the gelding to be lame in the near foreleg and to be displaying soreness in its neck. Trainer was advised that prior to racing again he would be required to furnish a veterinary certificate of fitness.

On the evidence and after viewing the official patrol films Stewards established that near the 400m the gelding shifted out and inconvenienced second placegetter however bearing in mind the minor nature of interference and the manner in which both horses ran to the finish Stewards could not be comfortably satisfied that had the interference not occurred second place getter would have beaten the gelding therefore the objection was dismissed.

 S. Comments:Stewards interviewed jockey as to the improved performance compared to last start at this track when finishing last. Jockey advised stewards that at it's previous start the gelding had been fractious in barriers, blundered badly on jumping lost many lengths had raced wide throughout. Jockey added that in today's event, although fractious in the barriers the gelding jumped well and raced wide and performed well. Stewards accepted the explanation. Jockey returned in excess of half a kilogram of the weight he weighed at. Jockey was reprimanded under AR145.

 S. Comments:When no other rider was available stewards permitted jockey to ride the mare 4.5kg over its declared weight. When questioned regarding the poor performance jockey explained that the mare has a tendency to mix its form. He said that after beginning only fairly the mare raced in a rearward position where it resented the kickback and tailed off. He added that in his opinion the mare was stepping up sharply in grade and may not have handled the extra weight. Trainer concurred with the views of jockey. A post race veterinary examination did not reveal any obvious abnormalities.
