S. Comments:Inquiry re poor performance. Rider advised after beginnging only fairly she was forced to ride along in the early stages to gain a forward position. She said the gelding raced comfortably in the middle stages, but when pressured from the 600m failed to respond and proved very disappointing over the concluding stages. The trainer was at a loss to explain the disappointing performance, but was of the opinion it was not suited by racing on the fence, which he felt was the heaviest section of the sand track today. Vetted with no abnormalities reported.

S. Comments:Questioned re: tactics - why restrained at start in contrast to previous racing pattern. Jockey stated he was instructed to take hold of horse from barrier and settle towards rear of the field and then remain to the inside from the 600m in an attempt to save ground. Horse was dissapointing when placed under pressure in home straight.
