Orman stated that his instructions were to be in a forward position, but after beginning awkwardly the runners to his outside had improved and crossed him and instead of improving forward and being caught wide, he elected to remain in a rearward position with cover. He added he was able to improve into the race from the 600m where the gelding finished the race off only fairly. He indicated that the gelding would be better suited to racing over distances further than that of today's event.

S. Comments:When questioned as to the horse's disappointing performance, T. Harrison stated that the intention was to obtain cover, however from the wide barrier she was obliged to settle outside the leader and as a result, the gelding overraced in the early and middle stages, which resulted in it weakening over the final 300m. Trainer H. Page indicated that the blinkers would be removed at its next start.
