S. Comments:When questioned regarding the improved performance of the gelding rider S Bayliss explained that at its first start it began awkwardly and got caught wide back in the field and then resented the kickback. He said today with the addition of pacifiers the gelding began much better in a smaller field and obtained a position outside the leader without being overly pressured. Trainer Mr D Deans explained that the gelding has worked well in pacifiers and was confident of a better showing today. Stewards noted their explanations
