S. Comments: Inquiry retactics and performance of the horse. Rider stated he was instructed to position, back in the field, but from near the 600m when inclined to overrace, was obliged to steady from heels when the pace further slackened, following which the gelding continued to overrace. He added he permitted the gelding to improve forward at the 900m to sit outside the leader, however it peaked on its run near the 300m. He believed these circumstances had been detrimental to its performance. It was also noted that the horse had not performed well over distances further than 1600m.

S. Comments:Inquiry re performanc, which raced below market expectation. Rider stated that the filly raced greenly for the majority of the race and was held up for clear running rounding the home turn on the heels of another runner, however when searching for runs in the home straight as a result of racing greenly the horse was reluctant to take narrow runs, and in all the circumstances he was not entirely disappointed with the filly's overall performance.

Jockey Merritt added that in his opinion that was a major contributing factor to the disappointing performance and also added the mare failed to handle the tight turning track.
