S. Comments:Stewards questioned rider regarding tactics adopted. Stated that he was instructed to take up a forward position from his wide barrier and after being tardy to begin rode his mount vigorously in the early stages to comply with instructions. Stated that after obtaining the lead his mount raced greenly and in the home straight was inclined to lay out. Rider concurred with the stewards that he erred by not desisting from using his whip, and stopped riding and straightened, sooner than he had on this occasion

| S. Comments: jockey Ms H Phillips pleaded guilty to a charge of careless riding in that approaching the 900 metre mark she allowed her mount to shift in when insufficiently clear of ONLINES causing that runner to be checked and shift in, making contact with SHOCTONIC and UNIQUE FUSE who also had to be checked and lose their rightful running. Jockey Phillips' license to ride in races was suspended for a period commencing midnight 11/04/2015 up to and including midnight Friday 24/04/2015 (one non-TAB meeting). |                      |                       |  |

| S. Comments:Raced 3 wide throughout. Questioned about her riding tactics App. Vuille stated that she was instructed to ride the mare where she was comfortable, however due to the perceived pace of the race she had anticipated being in a handy position one away from the running rail. App. Vuille acknowledged that the race did not pan out as she had expected and she was obliged to race midfield in a 3 wide position, and she had erred by not allowing her mount to stride forward in the back straight and take a leading position. Stewards agreed with her assessment of the ride and noted her explanation. |                        |                   |  |

S. Comments:Rider advised that the horse travelled well in running, however failed to respond to his riding when placed under pressure in the home straight. He added it may be better suited to a track with a shorter home straight. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments:When questioned regarding her tactics, R. Payne indicated that she had not intended to set such a fast tempo in the event, however the mare resented being restrained when she attempted to settle the horse after leaving the 900m and again approaching the 700m. She added that the trainer would now look to dropping the horse back in distance to attempt to allow the horse to settle.
