S. Comments:Hampered and forced wider on the home turn. Inquiry re performance. Rider stated that from the wide alley he was instructed to ride the horse in the second half of the field and after enjoying a nice run with cover in the early and middle stages, suffered minor interference rounding the home turn, however was afforded clear running in the home straight. Despite this the gelding failed to run on and, in his view, the overall performance disappointing and he was unable to offer any tangible explanation for the performance.

Rider explained that gelding began well, however shortly after start placed under pressure to obtain forward position, commenced to over-race and did not race comfortably and failed to make up ground in straight. Peaked on run near 200m. Post-race vet exam: small laceration to off hind and had lost off hind plate.
