S. Comments:Jockey reported that whilst his mount had travelled well, when placed under pressure at the 300m it was inclined to lay out. A post-race veterinary examination revealed that the gelding had sustained a stone bruise to the off fore hoof. Trainer F. Smith will be advised that he must obtain a veterinary clearance prior to the gelding being permitted to race again.

S. Comments:Rider explained that he was instructed not to make use of mount early but allow it to travel where comfortable. Shortly after start buffeted between runners so he elected to take rearward position. Approaching home turn obtained position behind another runner without having to apply pressure. Taken wide on home turn and ran home strongly. Trainer disappointed with ride. Inquiry into tactics adjourned.

S. Comments:Passing the 1200 metres improved onto heels and had to be steadied. When questioned regarding his riding approaching the 600 metres, as to whether there was an opportunity to improve earlier than he did, Jockey said that, bearing in mind that the gelding was first-up since January, rather than attempt to sustain a long wide run, he elected to remain racing on the back of another runner, however when that runner did not quicken as expected, he was obliged to shift out rounding the home turn, where the gelding ran home strongly. His explanation was noted.

S. Comments:Stewards questioned jockey in regard to the tactics adopted and the performance of the filly. Jockey stated that he had not been given any specific instructions, however the filly was agitated whilst parading behind the barriers, and when the start was effected filly began very awkwardly, became unbalanced and lost considerable ground. Jockey said that in the early stages he was obliged to race towards the rear of the field. He added that he was not entirely disappointed with the horse's performance. Stewards noted the explanation.
